The 2018 'Sarah Beacham Schools Group Award' was awarded to Lerryn School by the Association of Ringing Teachers. This is a prestigious national award recognising groups promoting the art of bell ringing. Our schools and outreach projects have now been running for 3 years and we are so pleased that this year Lerryn School won this award. We have also run an after-school club at Braddock School, and afternoon sessions at St Winnow School.

We capitalise on this with our full-size dumbbell and simulator linked via software from Abel (2018), Virtual Belfry (2018) or Beltower, enabling our ringers to ring with the virtual ringers projected on a large screen. This is an excellent way of teaching to handle, and teaching method ringing without the need to have a team of method ringers. Congratulations to Jago aged 10 and Daniel aged 11 who rang their first quarter peals.

This year the Bishop of St Germans and the President of the Guild launched with the Cornish Scout Group a bell ringing badge for scouts and cubs developed here with St Mabyn Scout group. For details see the guild web site or contact me. The mini ring was a huge success at the churches together stand at the Royal Cornwall Show with many hundreds of ringers and potential ringers having a ring on it. We will have been invited back next June and hope that we will have the same success as last year. Please come and help for an hour.

A big thank you to all those who helped particularly our Junior ringers and Lerryn School. We rang for make music day, with scouts and cubs from across Cornwall and our own junior ringers at an event on the banks of the river Lerryn with marquee and BBQ organised with Lerryn School. I am very grateful for the help we get from all our friends from other towers to achieve our aims.

Why not join us for the St Winnow Way walk from Bradoc to St Winnow and ring our three rings of bells, Bradoc (5). Portable bells (8). St Winnows new bells (10) on 27 August starting with a picnic at Bradoc?

Our loyal band continue to ring regularly and to enjoy various trips and social events together. However, recently we have been struggling, due to illness, and any visitors wishing to join a practice would be advised to check that it has not been cancelled, before turning up. With the help of Owen and Kevan Borlase, boards have been put up over the lower section of the louvres to reduce the sound in the immediate vicinity of the tower. A new radiator has also been installed in the ringing chamber and has helped to get the ropes back to a better condition, although there is some wear, despite the ropes being relatively new. Callington has hosted one of the district monthly practices in November, a full peal was rung in August by a visiting band, and we rang a call change peal of 210 changes for the TDGR QP week. Recently a course on conducting call changes was also run by Owen and Phil on 2 Sunday afternoons, using the simulator. We have been pleased to welcome 2 visiting bands from Winkleigh and Crantock, and we rang at Maker as part of our own trip out, in May.

Our ringers ring between the two churches of Bradoc and St Winnow and with the school team at Lerryn School.

This has been an eventful year, with the new bells being installed at St Winnow. They are lovely, easy to ring and musical bells and will be a great asset for many years to come. A big thank you to all those who have helped with this project. We saw the new bells cast, some of us travelling to Holland to see this. We worked with Nicholson's to design and install them. The pupils of Lerryn School and congregation gave pennies to put in the new bells as well as Cornish tin and copper.

We rang for make music day, with scouts and cubs from across Cornwall and our own junior ringers at an event on the banks of the river Lerryn with marquee and BBQ organised with Lerryn School.

Our annual Bradoc to St Winnow walk saw over 200 walkers walk between the two churches and ringing at Bradoc, St Nectan and St Winnow (St Winnow Bells for the first time); the event was televised on Spotlight South West. Why not join us for the St Winnow Way walk from Bradoc to St Winnow and ring our bells on 27 August starting with a picnic at Bradoc at 12noon?
