Sadly this year we have lost another of our regular ringers, Roger Richards unfortunately passed away on the 29th December 2017, we all miss him as he was a very reliable member of our tower. We still continue to ring on Sunday mornings as and when we have enough ringers, we are able to ring for weddings with help from ringers from neighbouring towers.

We have continued to maintain our practice on most Thursday evenings throughout the year. Also we have rung for all the Church festivals and special occasions including weddings, and entered the local competitions. We had a very successful ringers outing in September 2017, visiting Chagford, Lustleigh, Widecombe in the Moor, Bickington and Ashburton, finishing the day with a welcoming meal and drink at the Dartmoor Lodge Hotel at Ashburton. We have got two people come forward interested in learning to ring and have joined us on a few practice nights.

We continue to aim to ring for Sunday services whenever we can which is now made possible because of our 5 new ringers. They are becoming more proficient and are very keen. We suspend our practice on Thursday evenings during January & February and review it when the weather conditions permit. We are currently sad not to be able to ring with Egloskerry and look forward to resuming when all the repairs etc. Are completed after the fire which occurred there in September.

After a a short time with few ringers, St Tudy has bounced back, and now has eight ringers. Six of the ringers started from scratch in 2017, but we are now ringing call changes and enjoying both the ringing and the social get together after practice night. Many thanks to Bill Hill and all the ringers at St Breward and Blisland for their help in training the new ringers and supporting St Tudy. After his time as Captain, Laurie Greer has been unable continue, and we thank him for his time as Captain. We are looking forward to 2018 as we have a couple of weddings at St Tudy, and now have enough ringers for a full ring of six. Visitors are always very welcome to ring at St Tudy, and in particular we welcome anyone who can help us improve our ringing by guiding our way forward.
