Regular practice night on Fridays is helping learners with method ringing. Congratulations to Ian Groves for completing his first quarter peal here. Two Tower Open Days raised money for planned repairs and gained us two new learners, Sam and Tegan, who are progressing well. We hope to recruit more learners during this year's 'Armistice 100'. Many thanks to our loyal associates who are greatly appreciated for their teaching help and in maintaining regular Sunday ringing. Also, a big Thank You from all St Buryan tower to Joan Thomas, Tower Secretary for many years but now stepped down as she no longer rings. Visiting ringers will always remember her letting them in and getting that kettle on. Visitors are always welcome to join us ring this special peal of bells.

We have continued to ring regularly for Sunday Services and on practice nights. We had a smaller than usual number of weddings last year. Some of us attended the Guild AGM at Ladock and also the Western District festivals at Zennor and Ludgvan. We had an enjoyable outing by minibus to the Bodmin Moor area which was spoilt only by the continuous rain and mist which persisted all day. Visitors are always welcome.

We ring nearly every Thursday and Sunday but occasionally struggle for numbers. We are regularly supported by our friends from Stithians at both practice nights and on Sundays. We ring a mixture of Call Changes and some Doubles methods. Visitors are always welcome, but if you wish to join us we suggest you email first to check there is ringing to avoid disappointment. We nearly always adjourn to the pub after practice. Each year we have our Tower Christmas Dinner in February to avoid the December rush. Thanks to Liz for organising another good evening at The Cornish Arms In Frogpool. During 2017 we had an inspection from Nicholson's who adjusted a couple of the bearings which improved the 4th and reported the bells to be otherwise in good order.

The bells have been rung every Sunday but one during 2017 plus some months there has been enough ringers to ring at Wendron, usual on the first Sunday of the month or special occasions. We welcomed Chrissy Bunn to the tower early in 2017. Chrissy had not rung for a few years but she was soon ringing regularly for Services and practices. 2017 saw more requests for the bells than we have had for several years including 4 quarter peals. Helston Ringers had an Outing in May, ringing at Cury, Mullion, St. Mawgan-in-Meneage and Constantine. Finishing at the Black Swan in Gweek for a meal. Also the Annual Christmas Meal (held early in 2018) was at The Ship Inn in Mawgan-in-Meneage. A new venue this time. We thank Ray Spencer of Wendron and Mandy Basher of St. Mawgan for their continued help and support.

Lelant has had a good year. We have two new ringers, Chris Barnes an experienced ringer who has moved into the district, and Karen Johns a beginner who is making excellent progress having been well taught by Mary Jones at Towednack. We have a joint practice with Zennor on Wednesdays and also twice-monthly practices at Lelant or Carbis Bay on Saturday mornings although these are often replaced by wedding ringing during the busy 'wedding season'. We have been helped greatly by Roger and Doreen Sullivan of Carbis Bay, both with ringing and fund raising. We need to raise about £40,000 to replace the rusty bell frame, and so far have received a Guild grant and much encouragement and kind donations from other towers and from individual ringers. Thank you all.

Our still missed ringer, John Maddern, was also remembered for his role, too. Last year we had a very successful ringers outing to the Fowey area, ringing at Lanhydrock, Lostwithiel, Fowey and Tywardreth. This year we are travelling to the Liskeard area. Phillack Tower ringers have enjoyed a year of bellringing, with good attendance most times. We rang for 46 Sunday services, with 9 or 10 ringers present each time. Tuesday practice nights are friendly and satisfying occasions. An average 10 or 11 ringers attended 51 evenings. A good muster considering some dreadful weather this winter. We ring half-muffled bells during Holy Week. One quarter peal was rung in celebration of a team member's birthday. We rang for five weddings and two funerals, one of those with a single bell. The bells were inspected on March 28th 2017. New chiming ropes were installed in June. We rang for BBC Music Day on June 15th. The Tower bell ropes were cleaned in June by two of the ringers. In July we welcomed some students from Pordic, Hayle's twin town in Brittany, France. The youngsters enjoyed climbing the tower, ringing the chimes and hand bells, and hearing the team ring a peal, something they were not familiar with. We had a Tower Open Day on August 30th. It was well attended, and many locals and visitors took the opportunity to climb the tower, which they found hard work but worthwhile and exhilarating. The younger visitors were delighted to make music on the handbells, with expert guidance from the Tower Captain. A team of ringers from Mullion visited Phillack to ring our beautiful bells in October. We ended 2017 by ringing for Midnight Mass at Christmas, and ringing half muffled as we bid farewell to 2017, and then, muffles removed, welcomed 2018. Phillack is always happy to receive visitors and potential new ringers. Greetings to fellow ringers everywhere.

Ringling has been patchy during the last year due to us being a small team with most of us at an age when health problems seem to prevail. Ringling for services and practice night is usually arranged the week previous by a quick survey to see who will be available and we would advise any visitors wishing to ring to contact our secretary prior to making any journeys. We are sorry to have lost Cynthia from the team but very pleased that Jessica is doing well with call changes. Sincere thanks go to Ian Self and Clive Reynolds who have supported our infrequent practices so well and without whom there would have been far fewer.

Unfortunately over 90 years of damp weather has caused sufficient rust to the frame to make the bells unringable for 2018. However, fundraising is going well. Our practice evenings are still very popular, with ringers from other towers joining us, and my thanks to them for allowing us to practice at their towers on a Wednesday evening.
